

A scenic view from a chalet balcony. In the foreground, two chairs with dark frames and white, shaggy fur upholstery are positioned on a wooden deck. A small, round, light-colored table is placed between them. To the left, a large blue ceramic pot sits on the deck. To the right, a terracotta pot with green plants is visible. The balcony railing is made of dark wood. In the background, there are lush green trees and a clear blue sky with scattered white clouds. Distant mountains are visible on the horizon. A white patio umbrella is partially visible in the upper right corner.
